Alfa CLUTCH CYLINDER Repair kit 147, Nuovo GT 1.9 JTD/3.2 V6 24V/GTA with Selespeed 60607663

★★★★★

\$157.42

Enhance your Alfa Romeo 's clutch system with a completely new and upgraded replacement inner seal for the Selespeed clutch slave cylinder. The 3-piece repair kit replaces inner seal, dust boot and comes with a locking ring. The seal material we use is compatible with all hydraulic fluids that could be used in the Selespeed hydraulic system.

Engineered to OEM standards, our clutch slave cylinder seal, ensures precision fit and reliable performance. Addressing leaks and ensuring optimal hydraulic function, this seal guarantees seamless compatibility, keeping your Alfa Romeo's clutch system running smoothly and efficiently. Upgrade with confidence using ou genuine part.

For following models:

Alfa Romeo	147	Nuovo GT; 1.9 JTD w/ Selespeed
Alfa Romeo	147	Nuovo GT; 3.2 V6 24V w/ Selespeed
BMW	147	Nuovo GTA w/ Selespeed
