Alfa Romeo 4C Clutch Kit 55230619

\$2,203.89

We are now carrying the Alfa Romeo 4C Clutch Kit. We have included all the items you will need to have a successful installation and refresh of your vehicle's dry dual clutch transmission system. Whether you're a seasoned mechanic or a DIY enthusiast, this kit provides everything you need to tackle the task with confidence and ease. Our kit includes the following:

- A new clutch basket with all new friction disks
- K1 slave cylinder/release bearing
- K2 slave cylinder/release bearing
- New installation hardware

Our Alfa Romeo 4C Clutch kit provides peace of mind, allowing you to enjoy smooth, responsive clutch engagement mile after mile. Related Part Numbers:
