## BNB 720S Catback Exhaust System for McLaren 720S 4.0T Stainless Steel

**CAD \$2,000.00**

This performance catback exhaust system is engineered for the McLaren 720S 4.0T, featuring a double X-pipe design that retains the OEM valve functionality. Constructed from 1.5 mm polished stainless steel, it delivers a smooth finish and enhanced exhaust flow, contributing to both performance and an aggressive exhaust note.

**Car Fitment:** McLaren

**Model:** 720S

**Material:** Stainless Steel

**Thickness:** 1.5 mm

**Finish:** Polished Stainless Steel

**Type:** Catback Exhaust System

**Connection:** Slip

**Warranty:** 1 Year

**Place of Origin:** Guangdong, China
