## BNB for Porsche Macan 95B 2.0T Stainless Steel Exhaust Catback Front Pipe

**CAD \$1,500.00**

Crafted from 1.5mm stainless steel with a smooth finish, this valved catback exhaust system is designed for the Porsche Macan 95B 2.0T (2015-2019). It features electronic valve control with a wireless remote, allowing you to adjust the exhaust tone on demand. The non-destructive bolt-on installation ensures a direct fit without permanent modifications.
