BNB Performance Titanium Catback Exhaust for Porsche 718 982 2.0T GT4

CAD \$3,397.50

Crafted from aerospace-grade titanium alloy, this catback exhaust system delivers superior heat resistance and corrosion resistance for the Porsche 718 982 2.0T Upgrade GT4. Advanced valve technology enables seamless switching between refined daily mode and race mode with zero drone. Precision CNC mandrel bending and TIG welding ensure a perfect fit without modifications. Performance gains include increased horsepower, improved throttle response, and a more aggressive exhaust note.

Material: Titanium Alloy

Thickness: 1.5 mm

Car Fitment: PORSCHE

Type: Exhaust System

Model Number: for Porsche 718 982 2.0T Upgrade GT4

Style: Fashion

Place of Origin: Guangdong, China

Warranty: 1 year

Application: Automotive Exhaust System

Package Size: 120 x 60 x 30 cm

Gross Weight: 30 kg
