BNB Porsche 911 991.2 Turbo Stainless Steel Exhaust System With Electronic Valve

CAD \$1,372.50

Crafted from 1.5 mm stainless steel, this BNB exhaust system delivers a smooth finish and excellent fitment for the Porsche 911 991.2 Turbo. The electronic valve with wireless remote control allows you to adjust the exhaust note on demand. Non-destructive installation ensures a straightforward upgrade without permanent modifications. Backed by a 1-year warranty and over 15 years of exhaust manufacturing expertise.
