BnB Stainless Steel Downpipe 76mm for Mercedes Benz E550 W212

CAD \$1,232.50

Crafted from premium 304 stainless steel with 1.35mm thickness, this downpipe is designed for the Mercedes Benz E550 W212. The 76mm diameter bore optimizes exhaust flow for improved performance and a deeper exhaust note. It is a direct replacement part, ensuring straightforward installation. Backed by a 12-month warranty, this component is 100% tested for quality assurance.
