BNB Stainless Steel Downpipe for BMW M3 M4 F8x 1.5mm Silvery

CAD \$1,177.50

A high-quality stainless steel downpipe designed for the BMW M3 (F80) and M4 (F82/F83) F8x chassis. This non-destructive bolt-on upgrade increases exhaust flow for improved performance and a more aggressive exhaust note. The downpipe is constructed from 1.5 mm stainless steel and includes a heat shield for thermal management.
