BNB Stainless Steel Downpipe with Heat Shield for BMW M5 G90 4.4T 2024+

CAD \$1,097.50

Fabricated from high-grade stainless steel with 1.5mm thickness, this downpipe includes a heat shield for improved thermal management. Designed for the BMW M5 G90 4.4T 2024+ model, it serves as a direct replacement performance exhaust upgrade. The high-flow construction is engineered to improve exhaust gas evacuation, supporting potential gains in engine output and throttle response.

Car Fitment: BMW

Model: M5 G90 4.4T 2024+

Material: Stainless Steel

Thickness: 1.5 mm

Type: Exhaust System

Style: Fashion

Inlet Type: Car

Application: Automotive Exhaust System

Warranty: 1 Year

Packing: Carton
