BNB Stainless Steel Downpipe With Heat Shield for Mercedes-Benz GLC300 2.0T

CAD \$732.50

Engineered from 1.5mm TIG-welded stainless steel, this downpipe integrates a high-flow design with an integrated heat shield for the Mercedes-Benz GLC300 X253 2.0T. This direct bolt-on component reduces exhaust backpressure, improving turbo spool response and engine efficiency. Each unit weighs 20 kg and is packaged in a protective carton with dimensions of 80 x 40 x 30 cm.

Material: Stainless Steel (SS304)

Thickness: 1.5 mm

Fitment: Mercedes-Benz GLC300 X253 2.0T

Compatible Models: Mercedes-Benz G Class (2002-2016), GL Class (2007-2016)

Type: Exhaust System

Inlet Type: Car

Warranty: 1 Year

Place of Origin: Guangdong, China

Package Size: 80 x 40 x 30 cm
