BNB Stainless Steel Exhaust Downpipe Ferrari California 4.3L Silver

CAD \$750.00

This stainless steel exhaust downpipe is engineered for the Ferrari California 4.3L, featuring a 1.5 mm wall thickness for durability and heat management. An integrated heat shield protects surrounding components from thermal radiation. The mandrel-bent tubing ensures smooth exhaust flow for consistent performance.

Car Fitment: Ferrari

Car Model: California 4.3L (2014)

Material: Stainless Steel

Thickness: 1.5 mm

Type: Exhaust Downpipe

Inlet: Car (Standard Flange)

Style: Fashion

Warranty: 1 Year

Application: Automotive Exhaust System

Package Includes: 1 x Downpipe with Heat Shield
