BNB Stainless Steel Exhaust Downpipe for Aston Martin DBX 4.0T

CAD \$732.50

Crafted from SS304 stainless steel, this exhaust downpipe is engineered for the Aston Martin DBX 4.0T to improve exhaust flow and reduce back pressure. The 1.5 mm thick construction includes a heat shield for thermal management and durability. A bolt-on design enables straightforward installation for a sportier exhaust note and potential performance gains.

Material: Stainless Steel (SS304)

Thickness: 1.5 mm

Car Fitment: Aston Martin DBX 4.0T (2019-)

Type: Exhaust Downpipe

Includes Heat Shield: Yes

Warranty: 1 Year

Place of Origin: Guangdong, China
