BNB Stainless Steel Exhaust Headers for Aston Martin Rapide V12

CAD \$1,925.00

Crafted from 1.5mm stainless steel with a smooth finish, this exhaust system is designed for the Aston Martin Rapide V12 (2011-2016). It features non-destructive installation for a precise fit and includes heat shield pipe parts for thermal protection. The system is compatible with electronic or pneumatic valve control options, allowing customization of the exhaust note. Backed by a 1-year warranty, it delivers enhanced performance and a refined driving experience.

Material: Stainless Steel

Thickness: 1.5 mm

Finish: Smooth

Car Fitment: Aston Martin

Model Compatibility: Rapide V12 (2011-2016)

Installation Method: Non-Destructive Installation
