BNB Stainless Steel Exhaust Straight Downpipe 80x40x30 Silvery

CAD \$642.50

This BNB Stainless Steel Exhaust Straight Downpipe is engineered for the Porsche Cayenne 2.9T with OPF, offering a direct bolt-on fit. Constructed from TIG-welded SS304 stainless steel, it features a full thermal shield with heat resistance up to 900°C. The design reduces backpressure by over 35%, delivering gains of 25-35 hp and 40-50 Nm of torque. With a 1.5 mm wall thickness and a stylish finish, this downpipe is a durable performance upgrade for the 2018-2024 Cayenne.
