## BNB Stainless Steel Exhaust System for Porsche Macan 95B 2.0T

**CAD \$1,500.00**

Crafted from 1.5mm stainless steel with a smooth finish, this exhaust system includes a catback front pipe with an electronically controlled valve. Designed for Porsche Macan 95B 2.0T models from 2015 to 2019, it features non-destructive installation and wireless remote control for valve adjustment. The system enhances exhaust flow and sound without requiring permanent modifications to the vehicle.
