BNB Stainless Steel High-Flow Exhaust Downpipe for Ferrari 458 Italia Direct Bolt-On

CAD \$750.00

Crafted from 1.5mm TIG-welded stainless steel, this high-flow exhaust downpipe is designed for the Ferrari 458 Italia (2010-2015). It integrates directly with the factory exhaust system without core modifications, reducing backpressure for improved performance. The silvery finish is heat and corrosion resistant.

Car Fitment: Ferrari

Model: 458 Italia

Year: 2010-2015

Material: Stainless Steel

Thickness: 1.5 mm

Color: Silvery

Type: Exhaust Downpipe

Style: Fashion

Warranty: 1 year
