BNB Stainless Steel Valved Catback Exhaust for Genesis G70 3.3T

CAD \$1,762.50

This valved catback exhaust system is constructed from premium stainless steel with a 1.5 mm wall thickness and mirror-polished finish. It optimizes airflow to enhance engine performance and fuel efficiency while delivering a deeper, sportier exhaust note. The bolt-on design ensures straightforward installation without modifications. Designed specifically for the Genesis G70 3.3T (2014-2016), it reduces back pressure for a measurable horsepower gain.
