## BnB Stainless Steel Valvetronic Exhaust Muffler Catback for Porsche 911 997.1 Turbo

**CAD \$1,165.00**

Constructed from 1.5mm stainless steel, this valvetronic exhaust system offers a smooth finish and non-destructive installation for the Porsche 911 997.1 Turbo. It features electronic valve control with a wireless remote, allowing drivers to adjust the exhaust note on demand. The catback design improves exhaust flow and delivers a refined performance tone.
