BNB Titaniumz Audi R8 V10 5.2L Catback Exhaust Dual X-Pipe Stainless Steel

CAD \$1,550.00

Dual X-pipe design catback exhaust for Audi R8 V10 5.2L. Constructed from premium 304 stainless steel, significantly reducing weight compared to the factory system. Laser cutting, TIG welding, and CNC pipe bending ensure precise fitment and durability. Non-destructive installation with all necessary hardware included.

Material: 304 Stainless Steel

Thickness: 1.5 mm

Design: Dual X-Pipe

Valved: No

Fitment: Audi R8 V10 5.2L (2006-2012, 2017-2024)

Installation: Non-destructive, bolt-on

Warranty: 1 Year

Place of Origin: Guangdong, China

Packing: Carton
