BNB Titaniumz Catback Exhaust for Corvette C8 Z06 Titanium OEM Valve Quad Tips

CAD \$2,962.50

Crafted from lightweight 1.5mm titanium, this catback exhaust system delivers a significant weight reduction over the factory setup for improved handling and acceleration. Precision CAD-designed for a perfect bolt-on fit, it integrates with OEM valve actuators and includes quad exhaust tips. Equipped with a remote-controlled valve system, it allows you to adjust the exhaust note on demand. Laser cutting, TIG welding, and CNC pipe bending ensure high-quality construction and durability.

Material: Titanium

Thickness: 1.5 mm

Car Fitment: Chevrolet

Model Number: for Corvette C8 Z06

Type: Exhaust System

Style: Fashion

Warranty: 1 year

Place of Origin: Guangdong, China

Packing: Carton
