BNB Titaniumz Catback Exhaust for Porsche 911 992 3.0T Valvetronic Titanium

CAD \$2,247.50

This BNB Titaniumz catback exhaust system is crafted from high-strength titanium alloy with a 1.5mm thickness for reduced weight and improved durability. It features a valvetronic design with wireless remote control, allowing you to switch between quiet and aggressive exhaust notes. The system is engineered for a non-destructive installation that bolts directly to the factory mounting points, ensuring a perfect fit on Porsche 911 992 models from 2020 onward. Designed to enhance both performance and sound, this exhaust delivers a deeper, more refined tone while maintaining OEM valve compatibility.
