BNB Titaniumz Stainless Steel Heat Shield Downpipe for Chevrolet Malibu 2.0T

CAD \$650.00

Crafted from 1.5mm stainless steel with a full thermal shield, this downpipe reduces backpressure for gains of 25-35HP and 40-50Nm torque. TIG welded construction ensures a leak-free, vibration-resistant fit. Designed as a direct bolt-on upgrade for the Chevrolet Malibu 2.0T (2019+), it requires no modifications for installation. Backed by a 12-month warranty for reliable performance.
