## BNB Titaniumz Exhaust Catback for BMW M340i G20 G28 3.0T B58

**CAD \$1,690.00**

This titanium alloy exhaust catback system for the 2017+ BMW M340i G20 G28 3.0T B58 engine provides a performance-focused upgrade. The system features electronic valve control with a remote, allowing adjustment of the exhaust note. Constructed from 1.35 mm thick titanium alloy for a balance of high strength, hardness, and weight reduction, it is a direct replacement installation for enhanced sound and potential performance gains.
