BNB Titaniumz Exhaust Front Tube Heat Shield for Porsche Cayenne GTS 958 3.6L

CAD \$387.50

Crafted from high-grade stainless steel, this exhaust front tube delivers enhanced flow and durability for Porsche Cayenne GTS 958 3.6L models. The integrated heat shield protects surrounding components while optimizing exhaust gas velocity for improved performance. Designed for a direct fit, it replaces the factory front pipe without modifications. Backed by a 1-year warranty, this tuning part ensures reliable operation and a sporty exhaust note.
