BNB Titaniumz Exhaust System OEM Valved Catback for Porsche 911 992

CAD \$2,247.50

Crafted from lightweight titanium alloy with a 1.5mm wall thickness, this catback exhaust system delivers high flow performance and a distinctive exhaust note for the Porsche 911 992 Carrera. The OEM valved design ensures compatibility with factory electronic controls and maintains excellent fitment without a muffler. Constructed for a direct bolt-on installation, it reduces backpressure and enhances engine efficiency.

Material: Titanium Alloy
