BNB Titaniumz Front Pipe Exhaust System Cayenne 957 3.6L 80x40x30cm Silver

CAD \$647.50

This front pipe exhaust system is constructed from 1.5mm stainless steel with a smooth finish, designed specifically for the Porsche Cayenne 957 3.6L. It enhances exhaust flow and engine performance while providing a durable, corrosion-resistant upgrade. The precision fitment ensures easy installation and a seamless connection to the existing exhaust system. Backed by a 1-year warranty, it is a reliable choice for automotive performance enthusiasts.
