BNB Titaniumz Mercedes-Benz GLC300 X253 2.0T Stainless Steel Catback Exhaust Pipes Silvery

CAD \$1,190.00

This high-quality catback exhaust system is precision-engineered for the Mercedes-Benz GLC300 X253 2.0L turbo engine, featuring a full stainless steel construction with a smooth silvery finish. The electronic valve muffler design delivers an aggressive exhaust note on demand, with a 1.5 mm wall thickness for durability and excellent fitment. Direct replacement for the factory exhaust system, this unit is compatible with GLC300 X253 models from 2007 to 2016.
