BNB Titaniumz New Trend Titanium Alloy Catback Exhaust for Supra A90 2021+

CAD \$3,872.50

Crafted from high-strength titanium alloy with a 1.35 mm wall thickness, this cat-back exhaust system delivers a deep, aggressive tone while reducing weight. Designed for the Toyota Supra A90 2021+ with 2.0T and 3.0T B48/B58 engines, it features an electronic valve with remote control for adjustable sound levels. The direct bolt-on installation ensures a perfect fit without modifications. Backed by a 12-month warranty, this performance exhaust enhances both horsepower and throttle response.
