BNB Titaniumz Performance Titanium Valvetronic Exhaust System Catback for BMW X5 X6

CAD \$2,997.50

Crafted from high-grade titanium with a 1.5 mm wall thickness, this catback exhaust system delivers a deep, aggressive tone while reducing overall weight. The valvetronic design allows for adjustable sound output, and precision manufacturing ensures an excellent fitment for BMW X5 and X6 M60i 4.4L turbo models. Backed by a one-year warranty, this system enhances both performance and exhaust note.
