BNB Titaniumz Stainless Exhaust Header for Porsche 718 GT4 GTS 4.0L

CAD \$1,450.00

This stainless steel exhaust header is engineered as a direct replacement for the factory manifold on the Porsche 718 GT4 GTS 4.0L. Constructed from premium SS304 with 1.5mm thickness, it features CNC mandrel bent tubing, robust TIG welding, and precision laser-cut flanges for a perfect bolt-on fit. The design reduces backpressure and improves exhaust scavenging, delivering significant horsepower gains. Customization options including laser-engraved logos are available.

Material: SS304 Stainless Steel

Thickness: 1.5 mm

Car Fitment: PORSCHE

Model: 718 GTS

Year: 2019+

Type: Exhaust System

Warranty: 1 year

Package Size: 80 x 40 x 30 cm

Gross Weight: 20 kg
