## BNB Titaniumz Stainless Steel Catback Exhaust for Impreza STI 2.5T 2002-2007

**CAD \$1,140.00**

Crafted from T304 stainless steel with a 1.35 mm wall thickness, this catback exhaust system delivers high flow performance and a deep exhaust note. Designed for the Subaru Impreza STI 2.5T (2002-2007), it features a valved muffler with electronic and pneumatic control options. The system is a direct replacement for the factory exhaust and includes a remote control for valve adjustment. Backed by a 12-month warranty, it offers excellent fitment and durability.
