## BNB Titaniumz Stainless Steel Exhaust Catback Valve Mercedes AMG GT GTC GTS GTR

**CAD \$1,715.00**

This BNB Titaniumz stainless steel exhaust catback system is engineered for Mercedes Benz AMG GT, GTC, GTS, and GTR models. Constructed from high-strength stainless steel with a smooth finish, it features an electronic valve control with wireless remote for adjustable sound. The non-destructive installation allows for a direct bolt-on fit without modifications. Designed to enhance exhaust flow and deliver a deeper, more aggressive tone.

**Car Fitment:** Mercedes Benz AMG GT/GTC/GTS/GTR

**Material:** Stainless Steel

**Thickness:** 1.5 mm

**Finish:** Smooth

**Valve Control:** Electronic/Pneumatic with Wireless Remote

**Installation Method:** Non-Destructive Bolt-On

**Warranty:** 1 Year

**Dimensions:** 120 x 60 x 30 cm
