BNB Titaniumz Stainless Steel Exhaust Front Tube for Aston Martin Vantage V8 4.3L 4.7L With Heat Shield High Performance Pipe Parts

★★★★★

CAD \$390.00

Crafted from 1.5mm stainless steel, this BNB Titaniumz exhaust front tube delivers high-performance flow and durability for Aston Martin Vantage V8 4.3L and 4.7L models. The integrated heat shield protects surrounding components from extreme temperatures, ensuring reliable operation. Designed for direct fitment with excellent compatibility for 2009-2016 V8 Vantage and later generations. Backed by a 1-year warranty from BNB Motorsports.
