BNB Titaniumz Stainless Steel Exhaust Headers for Ferrari 360 3.6L

CAD \$1,625.00

Crafted from 1.5mm stainless steel with a mirror-polished finish, these exhaust headers deliver improved exhaust flow and performance for the Ferrari 360 3.6L (2000-2005). Designed for a direct fit on the Ferrari 360 Spider, they enhance engine efficiency and produce a deeper exhaust note. Backed by a 1-year warranty, each set is precision-engineered for durability and excellent fitment.
