BNB Titaniumz Stainless Steel Exhaust for Mercedes AMG A35 W177 2.0T 2024+

CAD \$1,215.00

Crafted from 1.5mm stainless steel, this valved exhaust system delivers a deep, aggressive tone for the Mercedes Benz AMG A35 W177 2.0T 2024+. The electronic valve with wireless remote control allows on-demand sound adjustment, while the non-destructive bolt-on installation ensures a straightforward upgrade. Built for performance and durability, it enhances both aesthetics and exhaust flow.
