BNB Titaniumz Stainless Steel Valvetronic Catback Exhaust for Mercedes AMG GT

CAD \$1,715.00

This BNB Titaniumz valvetronic exhaust system is crafted from high-grade stainless steel for durability and a deep exhaust note. Designed for Mercedes-Benz AMG GT, GTC, GTS, and GTR models, it features a non-destructive installation with electronic valve control. The system includes a wireless remote for adjusting the exhaust sound, allowing drivers to switch between quiet and aggressive modes. Backed by a 1-year warranty, this catback exhaust enhances both performance and aesthetics.

Material: Stainless Steel

Thickness: 1.5 mm

Finish: Smooth

Installation: Non-Destructive

Valve Control: Electronic/Pneumatic with Remote

Fitment: Mercedes Benz AMG GT/GTC/GTS/GTR

Warranty: 1 Year
