BNB Titaniumz Stainless Steel Valvetronic Exhaust for Mercedes CLS63 5.5T

CAD \$1,215.00

Crafted from 1.5mm stainless steel, this valvetronic exhaust system delivers a deep, adjustable exhaust note for the Mercedes-Benz CLS63 W218 5.5T. It bolts directly onto the factory mounting points for a straightforward installation. Designed for models from 2006 to 2016, it enhances both performance and sound. The silvery finish complements the vehicle's aesthetics.
