BNB Titaniumz Valvetronic Exhaust System Titanium Alloy for Audi S8 D5 4.0T

CAD \$3,177.50

This BNB Titaniumz valvetronic exhaust system is crafted from high-strength titanium alloy with a 1.5mm thickness for durability and weight savings. It features wireless remote-controlled valve operation, allowing you to switch between quiet and aggressive exhaust notes on demand. The system is designed for a non-destructive bolt-on installation on the Audi S8 D5 4.0T (2017-2024) and includes all necessary hardware. Customization options are available for muffler, heat insulation, and more to suit your performance needs.
