BNB Titaniumz Valvetronic Exhaust Titanium Catback for Mercedes C200 W205

CAD \$2,822.50

Crafted from lightweight titanium alloy, this catback exhaust system delivers a deep, refined tone and weight savings over factory steel. The integrated valvetronic mechanism allows wireless remote control of the exhaust note, switching between quiet and aggressive modes on demand. Non-destructive installation bolts directly to the factory mounting points for a precise fit on the Mercedes-Benz C200 Coupe W205 (2016). Each system is customizable with options for silencer drums, valve type, and finish to suit individual performance preferences.
