BNB Stainless Steel Valved Catback Exhaust for Porsche 911 991 GT3 Silvery

CAD \$2,492.15

Crafted from 1.5 mm stainless steel with a smooth finish, this valved catback exhaust system is designed for the Porsche 911 991 GT3 (2011+). The plug-and-play design requires no cutting or welding, and the integrated valve system is controlled via remote for adjustable sound. Manufactured using laser cutting, TIG welding, and CNC pipe bending for precision fitment and high flow performance.

Car Fitment: PORSCHE

Model: 911 (991)

Year: 2011-

Type: Exhaust System

Material: Stainless Steel

Thickness: 1.5 mm

Finish: Smooth

Valve Type: Electronic / Vacuum

Warranty: 1 years

Place of Origin: Guangdong, China
