## BNB Valvetronic Exhaust Titanium Catback for Porsche 718 GT4 4.0T

**CAD \$3,550.00**

Crafted from lightweight titanium with a 1.5mm wall thickness, this catback exhaust system is precision-engineered for the Porsche 718 GT4 4.0T. It features a valvetronic design with remote-controlled valves, allowing drivers to switch between aggressive and quiet modes. The system is manufactured using laser cutting, TIG welding, and CNC pipe bending for a perfect plug-and-play fitment without cutting or welding. Customization options including free laser engraving are available.
