## DCT Transmission Pump 28107842849

**CAD \$708.40**

New BMW DCT transmission pump - 28407842841 for DCT equipped BMWs, with the "M" dual-clutch transmission (DCT).

The pump within the DCT system is subject to wear and failure, particularly in vehicles subjected to high mileage. Should your DCT exhibit malfunctioning symptoms necessitating replacement, this designated BMW DCT transmission pump unit stands as the OEM solution for overhauling the DCT system. It's crucial to highlight that this is a OEM BMW pump exclusively engineered for refreshing and revitalizing the DCT system.

It's essential to note that certain DCT repair or service tasks mandate factory-level diagnostic and service software. Prior to commencing any work, specific DCT settings must be read and saved. Should you lack advanced repair software, consulting with a trusted local BMW specialist is highly recommended.

This is transmission pump for the following models:

E82 / E88 (08-13) > 135i

F87 (2016+) > M2

E90 / E91 / E92 / E93 (06-13) > M3

F80 (2015+) > M3 (2015+)

F82 / F83 (2015+) > M4 (2015+)

F10 / F11 (11-16) > M5 (2013-2016)

F12 / F13 (12-18) > M6

E89 Z4 (2009+) > Z4 sDrive35i

E89 Z4 (2009+) > Z4 sDrive35is

Please note we also sell a new OEM installation kit for this item. See [here](#).
