Ferrari PTU Pump Electric Motor 278338

CAD \$661.17

Brand new OEM Ferrari 278338 PTU hydraulic pump, designed to uphold the highest standards of performance and reliability. This comprehensive kit includes both the pump and motor, ensuring a complete solution for your transmission system needs. Compatible with the FF model, our replacement pump offers seamless integration and precise functionality.

It's important to note that there are two different Ferrari 278338 PTU transmission pump motors versions available. Depending on the production date of your vehicle you may have the other version. To ensure the perfect fit for your Ferrari, please don't hesitate to reach out to our team for personalized assistance and confirmation on fitment. We're here to provide expert guidance and support every step of the way, so you can enjoy peace of mind knowing you've chosen the right solution for your vehicle's needs.

This is a regular wear item we suggest regular replacement around 60,000-100,000 miles depending on driving habits.
