Ferrari Union and Gasket Kit 171454 10261060 274036

CAD \$16.63

Complete Ferrari Union (banjo bolt) and gaskets for Ferrari F1 system. The union and gaskets are a direct OEM match and are crafted with high quality stainless steel.

Typical symptoms of a failed union are:

1. Visual leak
2. White smoke coming from engine bay
3. Loss of hydraulic pressure in system

The union and gaskets are sold individually, therefore you will get 1 x union and 2 x gaskets. You will need 11 x unions and 22 x gaskets to perform a complete change on your hydraulic system.

Replacement for the following OEM part numbers:

- 171454
- 10261060
- 274036
