Fiat Dual Dry Clutch Transmission 68602795AA

USD \$769.57

We are now stocking the Fiat dual dry clutch transmission pressure plate and disk. We have included only the pressure plate and disk in this package to refresh of your vehicle's dry dual clutch transmission system. Our kit includes the following:

- A new clutch basket with all new friction disks

Not included in this kit is the following:

- K1 slave cylinder/release bearing
- K2 slave cylinder/release bearing
- New installation hardware

If you are looking for the additional items not included in this kit, please send us an email and we can source the additional items for your vehicle. Whether you're a seasoned mechanic or a DIY enthusiast, this kit provides everything you need to tackle the task with confidence and ease. Our Fiat dual dry clutch transmission pressure plate and disk provides peace of mind, allowing you to enjoy smooth, responsive clutch engagement mile after mile. Cross Reference:
