BNB Stainless Steel Valvetronic Catback Exhaust for Mercedes Benz GLC300 X253 2.0T

CAD \$1,140.00

This catback exhaust system is constructed from 304 stainless steel with a 1.5 mm wall thickness and features TIG welding for durability. The high-flow valvetronic design reduces backpressure to improve engine performance and exhaust note. It is a direct bolt-on system that integrates with the factory mounting points and electronics for a straightforward installation.

Material: 304 Stainless Steel

Thickness: 1.5 mm

Type: Catback Exhaust System

Fitment: Mercedes Benz GLC300 X253 2.0T

Style: Fashion

Warranty: 1 Year

Place of Origin: Guangdong, China

Car Make: Mercedes Benz
