Jaguar Rack and Pinion Control Valve - XR830017

★★★★★

CAD \$598.20

This item is a new Jaguar Rack And Pinion Control valve for the Electronic Power Steering (EPS) system. Engineered specifically for the Jaguar EPS system, this comprehensive kit offers a complete solution to address issues with your hydraulic steering solenoid.

Designed to replace a damaged or malfunctioning solenoid, our kit ensures seamless operation and restores steering function to like-new condition. By replacing worn components with precision-engineered solenoids, you can trust that your EPS system will perform optimally, delivering smooth and responsive steering every time.

Don't let solenoid issues compromise the performance of your Jaguar. Upgrade to our replacement Jaguar EPS solenoid valve kit and experience the reliability and precision you expect from Jaguar. Say goodbye to steering rack sensor malfunctions and enjoy the driving experience you deserve with our high-quality solenoid kit.
