Lamborghini Gallardo Actuator Shift Piston 086398163

★★★★★

CAD \$1,889.05

This is a new Lamborghini Gallardo E-Gear actuator shift piston. Crafted with precision using premium aircraft-grade materials, this new shift piston kit boasts precise dimensions and tight tolerances for exceptional performance.

Our comprehensive Lamborghini Gallardo E-Gear actuator shift piston kit includes all the parts you will need to rebuild your actuator with. You can ensure optimal functionality and longevity. Not stopping there, we've gone the extra mile to enhance durability and reliability. The seal section has been redesigned and fortified. Plus, we use a brand-new CNC machined aluminum cap for added strength and resilience.
