Lamborghini Gallardo E-Gear Clutch 07L105269K

★★★★★

CAD \$4,565.21

We are now stocking the Lamborghini Gallardo E-Gear clutch. We have included all the items you will need to have a successful installation and refresh of your vehicle's transmission system. Whether you're a seasoned mechanic or a DIY enthusiast, this kit provides everything you need to tackle the task with confidence and ease. Our kit includes the following:

- Clutch plate
- Pressure plate

Our Lamborghini Gallardo E-Gear clutch kit provides peace of mind, allowing you to enjoy smooth, responsive clutch engagement mile after mile. We also stock the Lamborghini Gallardo clutch release bearing - 086141671L. We always suggest changing the clutch release bearing when doing clutch service to your vehicle. Related Part Numbers:
