Upgrade to our Maserati accumulator 179143 to our cutting-edge heavy-duty hydraulic accumulator and stainless steel hydraulic line kit. This isn't just a standard parts replacement; it's a transformative upgrade that will elevate your vehicle's reliability and durability to unprecedented heights. Our newly designed hydraulic accumulator kit represents a significant advancement in automotive engineering for your Maserati. Crafted with precision and ingenuity, these components are more than just replacements; they're a testament to our commitment to excellence in performance and longevity. Our Maserati 179143 hydraulic accumulator upgraded kit is the perfect choice for your gearbox. Here's what we we bring to the table with our design:

- **Durability:**

- Our heavy-duty piston accumulator was designed and built with stronger materials. All seals inside of the accumulator are viton and we only used the highest grade steel for the housing

- **Additional Strength:**

- We've replaced the standard hydraulic lines with robust, stainless steel braided lines.

- **Reliability:**

- With our upgrade kit, you can drive with confidence, knowing your Maserati's hydraulic system is built to handle anything you throw at it.

- **Expert Repair Services:**

- Even the most robust components require attention. Should your pressure accumulator ever fall outside specifications, we offer comprehensive repair services. Our trained technicians will restore your accumulator to peak performance, ensuring your satisfaction and keeping your Maserati operating at its best.

Below is a list of vehicles this accumulator kit is designed for:

Maserati	GrandTurismo
Maserati	Coupe
Maserati	Gransport
Maserati	Spyder
Maserati	QP07
Maserati	Quattroporte M139
Maserati	GranTurismo Sport
